Publish. Repeat. (The No-Luck-Required Guide to Self-Publishing Success)* Sean M Platt,Johnny B. Truant,David Wright,2014-01-02 Are you ready to start making a full time living with your stories Self publishing isn t as hard as most authors make it Write Publish Repeat was written to save you from unnecessary struggle Yes there is a lot to learn and more competition than ever before but for those storytellers who are willing to do the work then set their efforts on repeat there s never been a better time to make a living as a writer Thousands of new books are published on Amazon every single day The vast majority will never sell more than a handful of copies This is devastating for hard working authors who

care about their craft and are doing all of the things they're supposed to do if they want to make it as a successful author. But it's confusing out there with too many things to learn and not enough time to learn them. Worse so much of the available advice comes from people who are in the business of selling advice. They're either parroting what others have said, are making guesses based on assumptions or anecdotal evidence, or are using their personal yet minimal experience with a successful book or perhaps even a few to articulate loose strategies that often have an absurdly short shelf life. This book is different. Write Publish Repeat was written by successful authors who have been in the indie game since the very beginning. In the last ten years we've gone from zero books to a few hundred with copies sold in the millions, film and television projects in the works, and hands-on work with hundreds of writers like you. We've also made more mistakes than we can count. But we made them so you don't have to. This book explains how to create stories your readers will love and will want to return to again and again. It details expert methods for enhancing creativity, building worlds, characters, and plots, understanding your market right down to your ideal reader, using the best tools possible to capture your draft, and explains proven best practices for editing. It discusses covers, titles, formatting, pricing, and publishing to multiple platforms, plus a bit on getting your books into print and why that might not be a good idea. But most importantly, Write Publish Repeat details the psychology-driven marketing plan that Sean and Johnny built to shape their stories into products that readers couldn't help but be drawn into, thus almost automatically generating sales, and explores ways that smart business-minded writers can do the same to future-proof their careers. What Indie Authors and Thought Leaders Are Saying. Two of the best in the biz. A gem for aspiring authors. Hugh Howey. For my money, this is the best book on self-publishing out there. David Gaughran. It's tough to find more honest and straight-forward marketing advice than what you'll get from these indie authors. Jane Friedman, former publisher of Writer's Digest. **The Beginners' Guide to Writing, Self-Publishing and Marketing a Book** Kehinde Adesina, Taiwo Adesina, [The Complete Idiot's Guide to Self-Publishing](#) Jennifer Basye Sander, Mark Hansen, 2005-10-04. A practical guide for a booming market. Every aspiring self-published author needs this guide, which covers everything from design to sales. It reveals all the tools they'll need, including worksheets for estimating costs, timing, and resources, up-to-date information on production and design formats for many genres, strategies for publicity and sales, plus success stories from self-published authors. Publishers Marketing Association estimates there are 73,000 small and self-publishers in the U.S. with 8,000-11,000 new ones each year. Of the approximately 2.8 million books in print, 78% of the titles come from small self-publishers. PMA. For small and self-publishers, sales increased 21% annually from 1997-2002. In 2002, these 73,000 publishers grossed \$29.4 billion. 81% of the population feels they have a book inside them. 6 million have written a manuscript, and another 6 million have a manuscript making the rounds. [21 Book Marketing Strategies](#) Jeff Leighton, 2019-02-04. How To Sell More Books, Create An Audience Of Raving Fans, And Make More Money. One Marketing Strategy at a Time. You're about to discover the book marketing formula I used to publish several Amazon Bestsellers and more than double my book sales. Implement Simple

Proven Marketing Tactics Best Seller We all know it's not easy to come up with new marketing strategies. However, what you might not realize is that just about all of these tactics are simple to implement; you don't need a fancy publishing company in this day and age. If you are a self-published author with no marketing experience, you could easily utilize all of these marketing strategies and even become a book marketing expert and teach others in the process. The idea with this guide is to stack all of the marketing strategies on top of each other. Instead of just using one or two of these tactics like most authors by going through the marketing checklist, you can optimize your book in the 1% of books out there. All you have to do is follow the list and implement each proven idea for marketing a book.
