Boned Lamb Shoulder Recipe:

Not Your Mother's Slow Cooker Recipes for Two Beth Hensperger, Julie Kaufmann, 2007-01-02 Today 58 per cent of American households consist of only one or two people yet most cookbooks still contain recipes designed to serve 6-8. In this follow up to the bestselling Not Your Mother's Slow Cooker Cookbook Beth Hensperger offers 125 new recipes specifically designed for the increasingly popular 1-12 to 3-12 quart slow cooker. This is the perfect book for busy singles and small families who want the convenience of a small slow cooker made meal without sacrificing wholesomeness and flavor. *Fast, Fresh and Unbelievably Delicious* Matt Preston, 2013-10-01 My new cookbook is full of recipes for stuff that is quite simply delicious and that I cook for my family and friends. It's a wee bit different from my first book in that the dishes are fresher, lighter, healthier. Well, that was the idea. I then suggested all those naughty over-the-top dishes that I also love. These had to go into a sealed section because like a Bangkok nightclub act, they are just a little too full on for the delicate stomachs of some and for the good of your health. That section is sealed for your own safety. Please resist opening it if you are a helpless slave to your passions. In short, this book is like me. It starts out with REALLY GOOD intentions for a while until it is overwhelmed by temptation and then quite frankly, once self-control is gone, it turns into a bit of an orgiastic free-for-all. Good times. Welcome to the Pleasure Dome, my friends. Please grab a fork. Matt Preston. This is a specially formatted fixed layout ebook that retains the look and feel of the print book. **Pictorial Review**, 1925 Includes music.
