Chapter Name : The Lost Child

Q1 What are the things the child sees on his way to the fair? Why does he lag behind?

Answer. The child saw many things on his way to the fair. He got fascinated by the toys in the shops. After that, he saw a flowering mustard-field. He then followed a group of butterflies and dragon-flies and tried to catch them. After that, he gets attracted by the little insects and worms along the footpath. Meanwhile, his parents keep calling him to hurry up. As he entered the grove, a shower of young flowers fell upon him. He stopped and tried to collect all of them. However, as soon as he heard the cooing of doves, he forgot about the flowers and ran towards his parents shouting, "The dove! The dove!" He was also fascinated by sweetmeats, flowers, balloons and the tricks of the snake charmer. As he entered the fair, he was both fascinated and repelled by the confusion. He kept lagging behind because he was fascinated by every other thing he saw on his way to the fair.

Q2 In the fair he wants many things. What are they? Why does he move on without waiting for an answer?

Answer. The child wanted many things at the fair. His eyes first set on the shop of a sweetmeat seller. His mouth watered for the burfi, which was his favourite sweet. He knew his plea would not be heeded because his parents would call him greedy. Therefore, he moved on. He then saw a flower-seller. He was irresistibly drawn towards the flowers and wanted a garland. However, he knew his parents would refuse saying that they were cheap. Hence, he moved further ahead. He was then carried away by the colours of the different balloons and had an overwhelming desire to possess them. He moved ahead without asking his parents as he knew they would say that he was too old to play with such toys. He next went towards a snake charmer. However, knowing that his parents had forbidden him from hearing such coarse music as the snake charmer played, he carried on.

The boy moved on without waiting for an answer because he knew that his request would be denied at each step.

The Divine Comedy of Dante Alighieri Dante Alighieri,1996-02-29 This first volume of Robert Durling s new translation of The Divine Comedy brings a new power and accuracy to the rendering of Dante s extraordinary vision of Hell with all its terror pathos and humor Remarkably true to both the letter and spirit of this central work of Western literature Durling s is a prose translation the first to appear in twenty five years and is thus free of the exigencies of meter and rhyme that hamper recent verse translations As Durling notes the closely literal style is a conscious effort to convey in part the nature of Dante s Italian notoriously craggy and difficult even for Italians Rigorously accurate as to meaning it is both clear and supple while preserving to an unparalleled degree the order and emphases of Dante s complex syntax The Durling Martinez Inferno is also user friendly The Italian text newly edited is printed on each verso page the English mirrors it in such a way that readers can easily find themselves in relation to the original terza rima Designed with the first time reader of Dante in mind the volume includes comprehensive notes and textual commentary by Martinez and Durling both are life long students of Dante and other medieval writers their Purgatorio and Paradiso will appear next year Their introduction is a small masterpiece of its kind in presenting lucidly and concisely the historical and conceptual background of the poem Sixteen short essays are provided that offer new inquiry into

such topics as the autobiographical nature of the poem Dante's views on homosexuality and the recurrent problematic body analogy Hell has a structure parallel to that of the human body The extensive notes containing much new material explain the historical literary and doctrinal references present what is known about the damned souls Dante meets from the lovers who spend eternity in the whirlwind of their passion to Count Ugolino who perpetually gnaws at his enemy's skull disentangle the vexed party politics of Guelfs and Ghibellines illuminate difficult and disputed passages and shed light on some of Dante's unresolved conflicts Robert Turner's illustrations include detailed maps of Italy and several of its regions clearly labeled diagrams of the cosmos and the structure of Hell and eight line drawings illustrating objects and places mentioned in the poem With its exceptionally high standard of typography and design the Durling Martinez Inferno offers readers a solid cornerstone for any home library It will set the standard for years to come
