Boomers And Beyond Reconsidering The Role Of Libraries:

Boomers and Beyond Pauline Rothstein, Diantha Dow Schull, 2010-05-10 Supporting this growing population is a concern of many and this book will help you find ways to be creative and take the initiative to build a better service model for these customers Public Library Programs and Services for Midlife and Beyond Reneé K. Bennett-Kapusniak, 2018-06-01 Inspired by trends in U S public libraries this book teaches librarians how to create a welcoming environment that enriches enlightens and engages their library's growing aging community The number of adults aged 50 coming to public libraries is steadily increasing These patrons include active healthy tech savvy professionals people who have little or no computer training retirees travelers and those who have age related health and behavior issues Public libraries have an opportunity to provide services for this growing and varied group This book teaches librarians how to develop and expand adult public library programming and services turning their library into a welcoming environment for the aging community Public Library Programs and Services for Midlife and Beyond offers practical examples in areas including community collaboration outreach marketing engagement technology and social media funding and lifelong learning It also incorporates up to date findings from the ALA's Guidelines for Library Services with 60 Audience Best Practices Examples gathered by the author from extensive interviews with public librarians and directors illustrate what a range of libraries is successfully doing for the midlife and beyond community and encourage creative thinking about new programs and services 50+ Library Services Diantha Dow Schull, 2013-03-04 The wisdom and insight contained in this book can help make the library a center for positive aging **Beyond Books** Jenn Carson, 2022-10-28 Beyond Books Adult Library Programs for a New Era takes us out of the stacks and past the traditional walls of the library to reach underserved and overworked adults in our communities adults who might not think they need the library in their lives Readers are introduced to the concept of adult programming through a multifaceted approach based on a solid foundation of behavioral science real life library experience and data on current trends in libraries and other institutions This book posits that offering diverse adult programs is an important catalyst for fostering community connection and individual wellness and that no librarian needs to deliver them alone Partnerships are not only helpful they are essential to preventing librarian burnout Themes of the book center on passive versus active programs the importance of intergenerational involvement and programs that touch a variety of topics divided by the following sections Food Drink Arts Crafts Books Writing Technology Media Health Wellness Business Finance and Nature Gardening This book provides clear step by step models and strategies for delivering adult programs both in person and online including where to find funding getting administrative and municipal buy in creating partnerships in the community addressing possible legal issues marketing tactics training staff and volunteers and how to evaluate programs Whether you're a student a brand new recruit or a seasoned public or academic librarian there will be something in this book to inspire you to move your adult library programs beyond book clubs without losing those too **Subject Guide to Books in Print**

,1996 Library as Place Geoffrey T. Freeman,2005 What is the role of a library when users can obtain information from any location And what does this role change mean for the creation and design of library space Six authors an architect four librarians and a professor of art history and classics explore these questions this report The authors challenge the reader to think about new potential for the place we call the library and underscore the growing importance of the library as a place for teaching learning and research in the digital age 50+ Library Services Diantha Dow Schull,2013-03-04 Adults over the age of 55 constitute some of the most engaged and frequent users of public libraries They may also be the most misunderstood As Baby Boomers continue to swell their ranks behavior and trends in older adults have changed dramatically in the last ten years and most literature on this topic is hopelessly out of date Schull co editor of Boomers and Beyond helps improve the situation by Presenting over a dozen case studies of public library programs for older adults spotlightin best practices that can be applied at other institutions Detailing a four year program presented by the Lifelong Access Libraries National Leadership Institute that trains librarians to meet the needs of people over the age of 50 Discussing issues such as creativity health financial planning heritage adn planning and intergenerational activities from the over 50 perspective laying out the trends and implications for libraries Including samples of materials that illustrate new approaches to policies staffing programs services partnerships and publicity Containing the keys to reshaping library services for older adults Schull s book needs to be in the collection of every public library **Libraries and Society** David Baker,Wendy Evans,2011 This book rekindles a debate that is anchored in the past as it charges into the future Three decades have passed since the last Golden Age of Libraries a time when the social and political unrest of a post baby boomer generation forced libraries to reconsider their social responsibilities The problems of today are providing a similar catalyst Faced with a growing divide between rich and poor a crumbling environment and frightening public health concerns society is increasingly looking for solutions that make good ethical sense **Empowering the Mind** Zafina Ismail,2010
