Birth Control Review Margaret Sanger,1921 *Like a Woman in Travail* John A. Porter,2024-01-26 Have you struggled with making sense of suffering whether in your own life in the history of God's people or just in the world around you What if the secret to the enigma of suffering far from being shrouded in impenetrable darkness is transparently set forth at the very beginning of the Bible in God's immediate response to human sin from where it is progressively unfolded as the inner dynamic of so called salvation history What if suffering in its essence is a form of precisely those birth pangs through which a new creation enucleated in the body of the risen Christ is being brought into existence to replace the old What if you could come to see your own suffering as pain that is intended to be productive of new life This is precisely what John A Porter argues in this study of the biblical perspective on suffering He discerns in birth pangs the key to a profound understanding of the place of suffering in God's redemptive plan not only for humanity but for the cosmos and especially in the life of the Church and the individual Christian The Practical Answer Richard Hewitt,2001-07 An interesting exciting route to wisdom
