unregulated disinformation their increasingly sceptical publics pursued their own idiosyncratic solutions to the crisis while the apparent sacrifice of a host of citizens from the most dedicated to the most vulnerable suggested that inequality and exploitation remained at the heart of the social order Power Media and the Covid 19 Pandemic is essential reading for students researchers and academics in media communication and journalism studies politics environmental sciences critical discourse analysis cultural studies and the sociology of health     The English Catalogue of Books ,1914 Vols for 1898 1968 include a directory of publishers
