The Complete Idiot's Guide to Improving Your Credit Score Lita Epstein, Lita, MBA Epstein, 2007

Consumers have known about credit reports for a long time we're well aware that lenders rely on them to determine whether they want to do business with us Any time we want to buy a house rent an apartment or take out a loan it's a safe assumption that one or several reporting agencies are going to be contacted to provide our credit history But we don't always realize that there's a single element on that report that determines success or failure and that's a three digit number called a credit score Created by Fair Isaac and Company this formerly secret FICO number was until fairly recently available only to lenders and businesses and although it's hush hush no longer many of us still don't understand it because there hasn't been enough information on what it is and what exactly lenders are looking for And we certainly haven't known how to make it work for us rather than against us In *The Complete Idiot's Guide to Improving Your Credit Score* author Lita Epstein clearly explains what your credit score is and how it impacts your life Rather than putting the focus squarely on credit emergencies it provides everything readers need to know to raise their score and keep it high now and in the future

A Credit Guide for Beginners Alfredo Jewett, 2011-04-11. Many people can only afford to buy a house or a car with a little credit to help them by. But you need credit to get credit. You get how that works. To get credit, you need to give proof that you have previously availed of credit so that lenders can evaluate how good or bad a risk you are to lend money to. Not many people understand how credit works and how important their credit score and credit history is. Not until they make a loan for a house or car or anything they need to borrow money in advance for do they realize the impact of their credit report. Your credit score, which shows in your credit report and credit history records, all your past borrowings and your ability to pay what you borrowed. Every time you make any kind of loan, this record is used to decide whether you can be approved of a loan, how much your interest rate is, and how long a time you can be given to repay the loan. Most financial advisors will tell you that it is never too early to build a good credit history, but it's also never too late to start as well. This credit guide will answer the very basic questions about what credit is, how credit works, what it takes to achieve good credit history, how your credit rating affects your life. This starting guide will be especially helpful to the beginner who is new to using credit and is starting to establish a credit history so that he can build good credit scores from the very beginning and take advantage of his good credit score to buy major purchases in this life.
