FOREWORD I could tell you that this is a wonderful book I could also tell you that this book is full of marvelous recipes illustrated with mouthwatering pictures which would make you dream of savoring these dishes one day I could comment on how well explained all the tricks and techniques needed to cook these recipes are I could do all this and I would not be lying But instead I rather talk about the author A guy I liked from the minute I met him He is full of good vibes and has always helped me and other gastro bloggers in every way he could Alfonso is one of those odd people who likes everyone who does not fit the stereotype of a cautious Galician since he is bold and direct and on top of everything he is no dummy I also deeply admire him for creating one of the best blogs in Spain Recetas de Rechupete You might be thinking that you couldn't care less about all this and that the personal qualities of the author are not necessary when judging the recipes in a cookbook This could be true about a conventional cookbook but never about a blogger's cookbook The main value in any blog is that it is personal no one else could have written it And when it comes to culinary blogs it is important that they reflect the origins experiences tastes and the obsessions of the person that is driving it Both Recetas de Rechupete and the book are 100% Alfonso they ooze earnestness and frankness simplicity closeness but above all the good food enthusiasm put into it by the author I would love to have my own Alfonso preparing all these meals for me enjoying his conversation But since this is impossible at least until the electronic author is invented I will just have to resign myself to having the book in my computer and reverting to it every time I am in the mood for an everyday meal Mikel López Iturriaga El Comidista Blogger and journalist at [elpais.com](#) *Rob Feenie's Casual Classics* Rob Feenie, 2013-04-02 Rob Feenie first wowed diners with his innovative tasting menus combining classic cooking techniques international flavors and local produce in the 1990s at Lumiere restaurant in Vancouver Rob Feenie's Casual Classics brings together the celebrated chef's favorite recipes for the best meals in life everyday cooking with family and friends **Better Homes and Gardens Annual Recipes 2008** Gayle Butler, 2008 *Classic Italian Recipes For Everyday Feasts Cookbook* Lillian Rutherford, 2020-12-02 Classic Italian Recipes For Everyday Feasts Cookbook Get your copy of the most unique recipes from Lillian Rutherford Do you miss the carefree years when you could eat anything you wanted Are you looking for ways to relive the good old days without causing harm to your health Do you want an ideal way to preserve your food Do you want to lose weight Are you starting to notice any health problems Do you want to learn to prep meals like a pro and gain valuable extra time to spend with your family If these questions ring bells with you keep reading to find out Healthy Weekly Meal Prep Recipes can be the best answer for you and how it can help you gain many more health benefits Whether you want to spend less time in the kitchen lose weight save

What's more, Everyday Italian is organized according to what type of food you want tonight, whether a soul-warming stew for Sunday supper, a quick sauté for a weeknight or a baked pasta for potluck. French Classics Made Easy Richard Grausman, 2011-05-18 Classic French food is hotter than ever. But one thing hasn't changed: few of us have the time, the patience, the technique or the cream and butter allowance to tackle the classics as presented by Julia Child's *Mastering the Art of French Cooking*. The good news is we don't need to. For the past 40 years, Richard Grausman, America's premier culinary teacher, has been training American chefs in a simpler, better way of French cooking, and in *French Classics Made Easy*, a refreshed and updated edition of his original collection *At Home with the French Classics*, he shares all of his extraordinary innovations and techniques: Golden soufflés in ten minutes. A light and luscious chocolate mousse that can be made as a cake, a chocolate roll, soufflé or pudding. Plus Cassoulet, Boeuf Bourguignon, Coq au Vin, Bouillabaisse, Poached Salmon with Beurre Blanc in all 250 impeccably clear, step-by-step recipes in range of anyone who knows how to boil water or dice an onion. When a step isn't critical, Grausman eliminates it. If something can be done in advance, he does it. Plus, he's cut the amount of butter, cream, egg yolks, salt and sugar: the result is health-conscious recipes that don't compromise the essential nature of the dish. Techniques are illustrated throughout in line drawings. It's the grandness of French cuisine made accessible for both entertaining and everyday meals.
