Clefts of the Rock; Or, The Believer's Grounds of Confidence in Christ John Ross Macduff, 1874

Hidden in the Cleft of the Rock Susan J. Perry, 2018-09-28 Why the clefts of the rock you say It seems like this is the hidden places where you can run in and find shelter during the attacks of the enemy during those broken times when you cannot seem to face anyone else Those times when you are hard pressed to find God much less be blessed by Him Those dry times when it seems like everything you say and do dry up in you unto the very marrow of your bones Who can find you during these times You have only one source and only one resource and He is our God and He is all you need Let us define cleft a fissure or split especially one in rock or the ground crevice break fracture or rent Women I have found out we are creatures who crave safety Even in relationships they need to know they're safe in order for their hearts to give in and flourish When I heard this it made so much sense to me because that was exactly how I felt during times in my own life The cleft of the rocks were a place of safety and hiding and women have this needy thing to be safe It's okay and God is calling them out in this book out into the Promised Land flowing with milk and honey where He will take care of every detail and not man Jeremiah 23:24 Can any hide himself in secret places that I shall not see him saith the LORD Do not I fill heaven and earth saith the LORD Come out because your God has

seen you He has seen your hurt and betrayal He has seen your pain and rejection and He is right there with you He said in the Word that He would never leave you nor forsake you Now forgive all and gently take the first steps out into the bright sunlight which will hurt your eyes at first maybe be a little too bright but don't be afraid Your God is with you and He will guide you back into all truth and love Wasn't He the Shepherd Jesus Christ who went after the one leaving the 99 behind to fend for themselves Get up dust yourself off and be encouraged that someone needs to hear your testimony and many will read it chew on it ponder it and pray for you as well Be strong and of a good courage as your waiting shall never be in vain but to the pure joy of the readers who already love what you have to say can be a help to you It's a great story it's God given Savior driven and Holy Spirit inspired so let's move on from here and get you started Like a Dove in the Cleft of the Rock Matthew Manint,2014-07-08 According to a French tradition St Mary Magdalene spent the final decades of her life in reclusion and prayer Alone in a mountain grotto she pondered on all that had happened since she first met her Beloved She knew that Jesus called her to the deepest union with his heart and she poured all her efforts into seeking this union God created every soul for the very same union the very same intimacy In this work the Song of Songs the life of Mary Magdalene and the writings of mystics intertwine to show how seeking finding and loving the heart of God brings true joy In its chapters we are led from the overwhelming awe of God on Mount Sinai to the tender meeting of the Risen Christ and Mary Magdalene in Gethsemane from the toil of conversion to the rest after the struggle Let us now join St Mary Magdalene on her search for the Beloved The Cleft of the Rock Doug Strutz,2023-09-25 Doug knew three women who were killed due to domestic violence After the third death the light came on inside Doug's head That is too many ladies in the small state of North Dakota with a population of seven hundred thousand After some soul searching Doug got a new Bible and a pink highlighter and highlighted 235 passages of scripture of violence toward men women or children Next Doug wrote to all his national senators and all of them encouraged him to go through the church and see if Doug could help get this problem going in the right direction Doug also phoned many churches from all denominations and had all but two encourage him to write poems on this situation Doug also felt led at that time to write poems about Mother's Day and Father's Day The poems went to eight churches in his hometown After Father's Day Father Dale from the Catholic Church asked Doug personally to write these poems Father Dale prayed over them and blessed them Doug went to his church and had them consecrated before God The Cleft of the Rock is his first book and hopes to have sequels to follow Cleft of the Rock David Pollitt,2002-01-01 The Place by God Pastor Brian W. Zimmerman,2007-05 Pastor Brian W Zimmerman attended Lee College in Cleveland Tennessee and graduated from East Coast Bible College now Lee University at Charlotte Central in Charlotte North Carolina an honors graduate with a BA in biblical studies and a minor in ministerial studies Brian W Zimmerman has served as an ordained minister in the Church of God Cleveland Tennessee as pastor evangelist and Bible teacher for 27 years in Virginia Pennsylvania Minnesota and North and South Carolina ministering both in churches and on radio and local cable TV stations
