Cxc Past Papers 00-02 Macmillan Publishers Limited, Pan Macmillan, 2004-11 **Cxc Past Papers 95-98: Caribbean History (Basic and General)** Caribbean Examinations Council, Caribbean Examinations Council Staff, 2000-10-01

General History of the Caribbean UNESCO Volume 6 NA NA, 2019-06-12 Volume 6 looks at the ways historians have written the history of the region depending upon their methods of interpretation and differing styles of communicating their findings. The authors examine how the lingual diversity of the region has affected the historian's ability to coalesce an historical account. The second half of the volume describes the writing of history in the individual territories taking into account changes in society, economy and political structure. This volume concludes with a detailed bibliography that is comprehensive of the entire series.

The Believers: Stories A. K. Herman, 2024-12-01 A K Herman's wondrous and shattering debut collection imbues people on the periphery with power hardly visible to outsiders where no one conforms to type. In the title story to leave a seemingly friendly and supportive church a family must risk everything. In *The Iridescent Blue* Black Boy with Wings After M rquez children find a winged boy in a seaside village in Tobago. In *Ready for the Revolution* uncertain lovers play rough with identity politics and are set on an unexpected path. In *Drink the Dew* love and wrath become one while the young woman in *Inside* navigates a complicated business arrangement with her lover. In *Love* a scandalous affair produces a love child born with a dark omen while in *Exile* a pregnant teen from a staunchly religious family is exiled to have her baby in secret. A gardener in *Love Story No 8* falls for a rich man's daughter to disastrous ends. *The Believers* is at once poignant and subversive haunting and truly unforgettable.

General History of the Caribbean Higman, B.W., UNESCO, 1905-06-21 This volume looks at the ways historians have written the history of the region depending upon their methods of interpretation and differing styles of communicating their findings. The chapters discussing methodology are followed by studies of particular themes of historiography. The second half of the volume describes the writing of history in the individual territories taking into account changes in society, economy and political structure. The final section is a full and detailed bibliography serving not only as a guide to the volume but also as an invaluable reference for the *General History of the Caribbean* as a whole.
