*90 minutes*

20 MAY 2009 (p.m.)

HOLY FAITH CONVENT  
PENAL  
LIBRARY  
11-05-10

**READ THE FOLLOWING INSTRUCTIONS CAREFULLY.**

1. This test consists of 60 items. You will have 90 minutes to answer them.
2. In addition to this test booklet, you should have an answer sheet.
3. Do not be concerned that the answer sheet provides spaces for more answers than there are items in this test.
4. Each item in this test has four suggested answers, lettered (A), (B), (C), (D). Read each item you are about to answer, and decide which choice is best.
5. On your answer sheet, find the number which corresponds to your item and shade the space having the same letter as the answer you have chosen. Look at the sample item below.

Sample Item

$2a + 6a =$

- (A)  $8a$   
(B)  $8a^2$   
(C)  $12a$   
(D)  $12a^2$

Sample Answer

The best answer to this item is “ $8a$ ”, so answer space (A) has been shaded.

6. If you want to change your answer, erase it completely before you fill in your new choice.
7. When you are told to begin, turn the page and work as quickly and as carefully as you can. If you cannot answer an item, omit it and go on to the next one. Your score will be the total number of correct answers.
8. A list of formulae is provided on page 2 of this booklet.
9. You may do any rough work in the booklet.
10. Calculators and mathematical tables may NOT be used for this paper.
