Municipal Reference Library,1926 **The American City** Arthur Hastings Grant,Harold S. Buttenheim,1924 **Disrupt, Discredit, and Divide** Mike German,2019-09-10 Impressively researched and eloquently argued former special agent Mike German s Disrupt Discredit and Divide tells the story of the transformation of the FBI after the 9 11 attacks from a law enforcement agency made famous by prosecuting organized crime and corruption in business and government into arguably the most secretive domestic intelligence agency America has ever seen German shows how FBI leaders exploited the fear of terrorism in the aftermath of 9 11 to shed the legal constraints imposed on them in the 1970s in the wake of Hoover era civil rights abuses Empowered by the Patriot Act and new investigative guidelines the bureau resurrected a discredited theory of terrorist radicalization and adopted a disruption strategy that targeted Muslims foreigners and communities of color and tarred dissidents inside and outside the bureau as security threats dividing American communities against one another By prioritizing its national security missions over its law enforcement mission the FBI undermined public confidence in justice

and the rule of law Its failure to include racist anti Semitic Islamophobic and xenophobic violence committed by white nationalists within its counterterrorism mandate only increased the perception that the FBI was protecting the powerful at the expense of the powerless Disrupt Discredit and Divide is an engaging and unsettling contemporary history of the FBI and a bold call for reform told by a longtime counterterrorism undercover agent who has become a widely admired whistleblower and a critic for civil liberties and accountable government **Municipal Reference Library Notes** ,1932 **Employment Practices Decisions** ,1977 *The Cumulative Book Index* ,1922 American Book Publishing Record ,1982-04
