*Compulsion* Jonathan Kellerman, 2008 A tipsy young woman seeking aid on a desolate highway disappears into the inky black night A retired schoolteacher is stabbed to death in broad daylight Two women are butchered after closing time in a small town beauty parlor The curious fact that all their killers drove luxury vehicles coupled with a baffling lack of any apparent motive is enough to warrant the attention of LAPD detective Milo Sturgis and his frequent collaborator on the crime beat psychologist Alex Delaware

**Compulsion - Book 22 - Alex Delaware** Jonathan Kellerman, 2008 Once again the depths of the criminal mind and the darkest side of a glittering city fuel 1 New York Times bestselling author Jonathan Kellerman's brilliant storytelling And no one conducts a more harrowing and suspenseful manhunt than the modern Sherlock Holmes of the psyche Dr Alex Delaware A tipsy young woman seeking aid on a desolate highway disappears into the inky black night A retired schoolteacher is stabbed to death in broad daylight Two women are butchered after closing time in a small town beauty parlor These and other bizarre acts of cruelty and psychopathology are linked only by the killer's use of luxury vehicles and a baffling lack of motive The ultimate whodunits these crimes demand the attention of LAPD detective Milo Sturgis and his collaborator on the crime beat psychologist Alex Delaware What begins with a solitary bloodstain in a stolen sedan quickly spirals outward in odd and unexpected directions leading Delaware and Sturgis from the well-heeled center of L A society to its desperate edges across the paths of commodities brokers and transvestite hookers and as far away as New York City where the search thaws out a long cold case and exposes a grotesque homicidal crusade The killer proves to be a fleeting shape shifter defying identification leaving behind dazed witnesses and death and compelling Alex and Milo to confront the true face of murderous madness

*A Tale of Two Titties* Meg Vondriska, 2024-07-23 From the brilliantly funny and rightfully furious creator of the viral Men Write Women Twitter account *A Tale of Two Titties* is a satirical guide to writing women like a bestselling male author Let's face it women's representation in literature really sucks And that's mostly because of the male authors who write female characters like they're nothing more than playthings in their stories Whether they have breasts like ripe peaches or curves like a racetrack the literary ladies gracing the pages of bestselling books rarely serve a purpose beyond supporting a male character or giving him something to fantasize about But what are you supposed to do about it if you can't even get a foot or I guess a boob in the door You beat them at their own game In this hilarious yet incisive guide you'll learn how to write women just like a bestselling male author stereotypes tropes objectification and all so you can start dismantling the system from the inside With thoughtful literary analysis interactive exercises and commentary that perfectly straddles the line between satirical hilarity and righteous indignation *A Tale of Two Titties* is both an illuminating study of women's representation in literature and an absurd yet accurate guide to writing through the male gaze
