Stories Jeryl Hartt, 2009-11-07 You will be surprised at how easy it is to see the power of God released for healing after reading a few of Jeryl's stories. What God is doing through him is available to you. Jeryl tells of healings, revelatory encounters, dreams, and justice stories in the work place, street corner, or the unexpected encounter after an automobile accident. You will discover that God uses ordinary people to do the extra-ordinary works of the Kingdom.

Visions of Statesmanship David Hansen, 2024-03-12 In *Visions of Statesmanship: A Statesman's Imagination and Autonomy*, David Hansen provides a critical examination of the figure of the statesman as it has been presented in the philosophical reflections of three key thinkers: Plato, Yannis Markrygiannis, and Cornelius Castoriadis. In the course of the analysis, the chapters broadly investigate and assess the complex reception history that obtains among this particular configuration of intellectual history by offering authors, activists, and texts linked to critical political and social theory in German, French, and Anglo-American contexts. The focus falls on the imagination variously conceived and notions of autonomy and how these ideals potentially confront specific conditions of political and social reality. What emerges across the millennia is an episodic account of dialectical encounters between freedom and unfreedom, how philosophical endeavors discern alternatives that raise consciousness of societal possibilities that challenge realities with the aim of changing practices of domination, oppression, and exploitation. Rather than regard intellectual and literary labor as ideological reflections of the material base, Hansen considers to what extent these free works of the imagination offer concrete visions that would increase justice, communal harmony, and global peace, historical contingencies, and limitations.

Angelic Encounters James W. Goll, 2007 Using Scripture, church history, testimonies, and personal experience, the Golls describe the different categories of angels, explain their ministry as God's agents, and show how to perceive and engage them.

Compassion James W. Goll, Michal Ann Goll, 2011-07-28 Jesus demonstrated compassion in everything He did, and everyone He touched. Jesus lived it and breathed it. He was and is compassion itself. Authors James and Michal Ann Goll share lessons they have learned from the Lord that will rekindle the compassion within you. As God is the source of all compassionate action, you will discover that your compassion is a reflection of His unfailing love. Through the profiles of nine compassionate women who were instrumental in helping millions throughout a hurting world, you will be inspired and encouraged to become a pioneer of compassion in your own world. Models of compassion include Catherine Booth, Florence Nightingale, Mother Teresa, Hannah More, Elizabeth Fry, Nancy Ward. Do you wonder what it takes to be a compassionate person? Do you want to make a difference in the lives of others? Follow the example of Jesus. He converted desire into deed and made all the difference in the world.
