A gathering patch of storm clouds blot out the stars in the corner of of my eye and the closer I get to beyond the Vale, the stronger the creeping sense of dread that swirls around in my stomach gets stronger.

I ran faster, faster, faster still, all the while thanking Hecate I'm fit enough to keep this up after battling the vamp for so long. Even this late at night, London heaved with people, and I was forced to swerve and weave my way along the busy streets.

I knew, as soon as I turned the corner and caught sight of Freddy's occult book shop, that something was wrong.

From this vantage point, I could tell all the lights were out, save for a solitary bulb flickering near the front of the shop, and the door hangs open, creaking as the cool night breathed on it.

Psychics wouldn't leave the door unlocked

Figure 1

I slowed my pace, slipping Simon and Garfunkel free and gripping their hilt-tight. Creeping closer to the entrance to *Beyond the Vale* I whispered, "I hope you're ready for this boys?"

I remain, thank you,

The one who personalized her weapons and spoke to them like they were my best friends in times of stress.

Close up, I noticed the glass in the front door was blasted inward, glittering shards scattered all over the floor inside. I called to my magic, just in case I needed it, and shimmered past the swaying door. I tried my best to be quiet, but could do little to stop the broken glass crunching beneath my heavy boots.
