Postwar Trends (pages 626–628)

How did World War I affect America?

World War I left much of the American public divided about the League of Nations. The end of the war hurt the economy. Returning soldiers took jobs away from many women and minorities, or faced unemployment themselves. A wave of **nativism** and **isolationism** swept over America as people became suspicious of foreigners and wanted to pull away from world affairs.

1. What attitudes became prevalent in America after WWI?

Fear of Communism (pages 628–630)

Why did Americans fear communism?

Americans saw **communism** as a threat to their way of life. Communism is an economic and political system that supports government control over property to create equality. Some communists said there should be only one political party: the Communist Party. Communists came to power in Russia through violent revolution.

World War I created economic and political problems in Russia. In 1907, the Russian czar, or emperor, stepped down. Later, a group of revolutionaries called **Bolsheviks** took power. Their
