Burnham,2011-02-23 In So Great a Light So Great a Smoke Louisa A Burnham takes us inside the world of a little known heretical group in the south of France in the early fourteenth century The Beguins were a small sect of priests and lay people allied to and sharing many of the convictions of the Spiritual Franciscans They stressed poverty in their pursuit of a Franciscan evangelical ideal and believed themselves to be living in the Last Days By the late thirteenth century the leaders of the order and the popes themselves had begun to discipline the Spirituals and by 1317 they had been deemed a heresy The Beguins refused to accept this situation and began to evade and confront the inquisitorial machine Burnham follows the lives of nine Beguins as they conceal themselves in cities construct an underground railroad solicit clandestine donations in order to bribe inquisitors escape from prison and venerate the burned bones of their martyred fellows as the relics of saints Their actions brought the Beguins the apocalypse they had long imagined as the Church s inquisitors pursued them along with the Spirituals and began to arrest them and burn them at the stake Reconstructing this dramatic history using inquisitorial depositions notarial records and the previously unknown Beguin martyrology Burnham vividly recreates the world in which the Beguins lived and died for their beliefs *Bed and Breakfast in France* AA Publishing,AA Publishing Staff,2006-03 A guide to over 3 500 professionally inspected bed and breakfast establishments in France offering a choice of top quality good value accommodation This guide features information on opening times prices facilities and directions Booking is made easy with address telephone fax and e mail details provided Compostelle en smoking/Camino de Santiago en esmoquin Philipp Winterberg,2016 *Bed and Breakfast in France 2007* David G.
