Chapter Introduction To Financial Performance

Johannes Flosbach

Chapter Introduction To Financial Performance:

Financial Performance of Microfinance Institutions in Ghana and Uganda Johannes Flosbach, 2015 This book examines the determinants of financial performance of microfinance institutions MFIs in Ghana and Uganda against the backdrop of the public and academic debate over the financial and social implications of microfinance In the absence of a conceptual model the study chooses an inductive research approach with the objective of defining and developing a conceptual model with the capacity to explain quantify and compare the performance of MFIs The research is particularly relevant in the African context where microloan interest rates regularly exceed 100% per annum and where the microfinance industry is lacking behind its global peers in regard to financial and social performance Series Contributions to the Africa Research Beitrage zur Afrikaforschung Vol 59 Subject Economics Finance African Studies **Principles of Financial Management** L. C. Posthumus, N. Basson, P. Olivier, 2000-01-28 This book was specifically written for third year financial management or accounting students at technikons Its main purpose is to assist students in their understanding of the basic concepts underlying analyses of business enterprises Volkswagen (VW). Financial Performance and Financial Position, 2021-11-15 Seminar paper from the year 2021 in the subject Business economics Market research grade 1 3 Buckinghamshire New University language English abstract In this assignment the author finds herself in the role of a consultant whose client intends to acquire VW The objective of this paper is to provide an assessment of VW s financial performance and financial position to prepare a proposal to the client that assists in deciding whether acquiring VW is financially beneficial For a comprehensive insight into VW s financial performance and position the approach was as follows Hereafter in chapter two the theoretical background provides the reader with knowledge about VW and describes the meaning of DD in M A processes Chapter three the financial statement analysis is subdivided into FDD and CDD In the FDD profitability ratios asset and capital structure KPIs and liquidity ratios are described and reviewed The ratios are based in each case on the corresponding statement the income statement the balance sheet and the CFS The annual reports of VW from the years 2017 2019 serve as a reference for the financial KPIs The CDD is based on Porter s Five Forces framework which considers future trends and in addition includes a brief benchmarking to identify competition between global car manufacturers within this framework To conclude chapter three the results of FDD and CDD are summed up In chapter four a proposal to the client is provided which speaks for the fact that VW is worth buying in terms of the numbers considered *Degree of Leverage* Samuel Gameli Gadzo, 2018-11-29 This book establishes the relationship between leverage and financial performance of insurance companies This book focuses on establishing empirical evidence about the nature of leverage insurance companies assume and it indicates significant differences between the financial performance indicators of insurance companies with age limit Again empirical evidence revealed that leverage negatively affects financial performance of insurance companies in Ghana This book offers policy guideline on the level of leverage start up and established firms with age category as the benchmark The
