The Play's the Thing Marina Jenkyns, 2006-10-19 Marina Jenkyns conveys the excitement of working therapeutically with dramatic text through a personal and highly readable analysis of plays from a variety of periods and cultures. Influenced by the theories of Winnicott and Klein, she lays bare the dynamics of relationships and plots to show how they can be used to help us understand our own relationships to each other and the world around us. This highly innovative text integrates therapeutic practice and literature in an engaging and challenging book which will hold the attention of a wide audience. This book contains new ideas for dramatherapy practice, theatre directors and teachers. Collective Creation in Contemporary Performance Kathryn Mederos Syssoyeva, 2013-08-28 This edited volume situates its contemporary practice in the tradition which emerged at the beginning of the twentieth century. Collective Creation in Contemporary Performance examines collective and devised theatre practices internationally and demonstrates the prevalence, breadth and significance of modern collective creation.

Churchill Caryl Churchill, 1985-05-29 The plays in this volume represent the best of Churchill's writing up to and including her emergence onto the international theatre scene with *Cloud Nine*. The volume also contains a new introduction by the author as well as short prefaces to each play.

Script Analysis David Grote, 1985 *Churchill Plays: 1* Caryl Churchill, 2013-12-10 In *Traps* a set of characters meet themselves and their pasts to create plenty of sinewy lines and joyous juxtapositions. *Plays and Players* *Vinegar Tom* is set in the world of seventeenth century witchcraft but it speaks through its striking images and its plethora of ironic contradictions of and to this century. *Tribune* *Light Shining in Buckinghamshire* is set during the Civil War and unflinchingly shows the intolerance that was the obverse side of the demand for common justice. Deftly it sketches in the kind of social conditions that led to hunger for revolution. The play has an austere eloquence that precisely matches its subject. *The Guardian* *Cloud Nine* sheds light on some of the British Empire's repressed dark side and is a marvelous play, sometimes scurrilous, always observed with wicked accuracy and ultimately surprisingly rather moving. It plunges straight to the heart of the endless convolutions of sexual mores and does so with acrobatic wit.

Guardian *Owners* I was in an old woman's flat when a young man offering her money to move came round that was one of the starting points of the play. Caryl Churchill The plays in this volume represent the best of Churchill's writing up to and including her emergence onto the international theatre scene with *Cloud Nine*.
