

Introduction

Congratulations! As the owner of Carrier's Comfort Zone II zoning system, you have made a commitment to controlling your indoor weather. Comfort Zone II allows you to maximize the performance of your heating and cooling system with customized comfort control. Your system now has the ability to follow your schedule and provide enhanced comfort in areas which are difficult to heat or cool. Here's how it works: Your Carrier dealer has divided your home or business into zones which you control separately. Instead of setting one temperature for the entire house or business, you can select a different temperature for each of your zones. By following the step-by-step instructions in this guide, you will begin to enjoy the benefits of your Comfort Zone II system.

Advances in Solar Energy Karl W. Boer,John A. Duffie,2012-12-06 A number of significant changes have occurred in Advances in Solar Energy since Volume 1 appeared in 1982 The delays in publication of the second volume are the result of reorganization of the American Solar Energy Society and the negotiation of a new publishing arrangement Beginning with this volume Advances is now published jointly by the Society and Plenum Press The Editorial Board has been enlarged to be more representative of the different fields of solar energy conversion Production of Advances is being expedited through the use of modern word processing equipment and the IEX typesetting editing program We have gone to a single column format to ease the problems of presenting long equations and we expect that the user of the volume will find it easy to read The use of IEX will make last minute updates possible The external appearance of the volume matches that of Volume 1 We expect that future volumes of this annual will be proceeding on schedule We invite comments from users and correspondence from prospective authors of critical reviews Karl W Boer John A Duffie
