

## Teacher Resource Toolkit Suggested Uses

### Common Core Standards:

- **RL.1-8.RL.1**
  - Student quotes accurately from a text when explaining what it says explicitly and when drawing inferences.
- **RL.1-8**
  - Student explains the overall structure of a story, drama, or poem.
- **RL.1-8**
  - Compare and contrast the overall structure of two or more texts.
- **RI.1-8**
  - Determine main ideas of a text and explain how they are supported by details.

### Projectable:

- Go over and complete the toolkit with the students. This would be a good time to record target vocabulary, give examples, and answer any questions students may have.

### Student Notebooks:

- Have students fold this paper in half and glue one half of it in their reading journals or notebooks. Students will be able to open and view it as a resource when completing their graphic organizers or answering the "questions to ask as we read".
- Given an article on one text structure, have students complete a graphic organizer in their notebooks to fit the information. Then, have students write their answers to the questions in complete sentences, using text details to support their responses.

### Anchor Chart:

- Use this worksheet as a guide for an anchor chart to hang in the classroom. This is a great visual for the students and another place for them to find the graphic organizers, transition words, and "questions to ask as we read".

### Students Share:

- After reviewing the given text structure, have students complete the "now you try it" section on their own. When finished, students can share their graphic organizers with their neighbor and discuss the "questions to ask as we read" to ensure their understanding.
