Eldorado, Or Adventures in the Path of Empire Bayard Taylor,2018-02-15 Excerpt from Eldorado or Adventures in the Path of Empire Comprising a Voyage to California Via Panama ON the 2sth of June 1849 I sailed from New York in the U 8 Mail steamship Falcon bound for Chagres About eight months had elapsed since the tidings of an Eldorado in the West reached the Atlantic shore The first eager rush of adven turers was over yet there was no cessation to the marvellous reports and thousands were only waiting a few further repetitions to join the hordes of emigration The departure of a steamer was still something of an incident The piers and shipping were crowded with spectators and as the Falcon moved from her moorings many a cheer and shout of farewell followed her The glow and excitement of adventure seemed to animate even those who remained behind and as for our passengers there was scarcely one who did not feel himself more or less ahero The deck rang with songs laughter and gaily spoken anticipations of roving life and untold treasure till we began to feel the heavy swell rolling inward from Sandy Hook About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that
