Slayton, 2001 Born to Irish immigrants on the Lower East Side of Manhattan Al Smith was the earliest champion of immigrant Americans In 1928 Smith became the first Catholic to run for the presidency but his candidacy was fiercely opposed by the KKK and his campaign was wiped out by a tidal wave of anti Catholic hatred After years of hardship Smith reconciled his soured relationships with political bigwigs and once again became a generous heroic figure Photos [The Publishers Weekly](#), 1972 **Crying the News** Vincent DiGirolamo, 2019 Crying the News A History of America s Newsboys is the first book to place newsboys at the center of American history analyzing their inseparable role as economic actors and cultural symbols in the creation of print capitalism popular democracy and national character DiGirolamo s sweeping narrative traces the shifting fortunes of these little merchants over a century of war and peace prosperity and depression exploitation and reform chronicling their exploits in every region of the country as well as on the railroads that linked them **Good Neighbor Diplomacy** Irwin Gellman, 2019-12-01 Originally published in 1979 American diplomacy during Franklin D Roosevelt s presidency has received much attention with one notable exception the United States relations with Latin America Irwin Gellman s book corrects this past neglect through a perceptive analysis of FDR s Good Neighbor efforts in Latin America Based on a fresh examination of State Department records and extensive manuscript sources including an unprecedented use of Nelson Rockefeller s oral history archives the book points out the complexities of Good Neighbor diplomacy and its intimate relationship to Roosevelt s global strategies As background to his discussions of FDR s policies Gellman looks first at how Latin American affairs were handled during the administrations of Harding Coolidge and Hoover the three Republicans who preceded Roosevelt in office Good Neighbor diplomacy Gellman shows was not a carryover from these administrations it bore the distinctive mark of FDR s own making He then describes how Roosevelt s policy of nonintervention worked particularly how military force was superseded by more subtle diplomatic maneuverings Turning to a discussion of economic relations with Latin America Gellman focuses on how the United States

own situation cut off from international trade by the Depression encouraged regional expansion And finally he looks at how Roosevelt parlayed the threat of war in Europe and the specter of Nazi penetration in the Americas to further solidify a hemispheric stand Gellman s account vividly demonstrates that Good Neighbor diplomacy was as much the product of personality as it was of policy In particular it emerged out of the rivalries and alliances among three men Roosevelt his Secretary of State Cordell Hull and Assistant Secretary of State Sumner Welles Gellman the first to have access to FBI files on Welles characterizes FDR as an astute politician who saw an opportunity to use pan Americanism to restore America to world prominence yet could not handle the personality conflicts among those in his own ranks Gellman shows how tenuous a government policy can be when so much of it depends on personal control and influence *Franklin D. Roosevelt* Michael Schuman,1996 Recounting the life and times of a man who is widely thought of as one of the most respected presidents the United States ever had Describes his personal life including his early childhood his marriage to Eleanor Roosevelt and his struggle with polio along with his political accomplishments including the New Deal and his involvement with World War II
