Bureau Score Details

Bureau scores use available Veda Advantage bureau data to calculate a risk estimate. The primary purpose of the scores is to predict the likelihood of a future adverse event being recorded in the Company's Veda Advantage bureau file.

A score is a statistical rank ordering tool only and as such should always be used in conjunction with your organisation's credit policies and procedures and other relevant information you may have about the company or business. A score should not be and is not intended to be the sole basis for making a decision about whether or not to deal with a particular company or business.

Bureau Score Result

Relative Risk: 2.16 times better than Veda Advantage average.

About The Credit Score

The credit score for this company has been calculated using Veda Advantage's Company/Business scorecard. The relative Risk position indicated is based on a comparison with the Veda Advantage population. The odds of recording adverse credit information within 24 months of an enquiry are 16:1
