Commonwealth Criminal Code Guide Practitioners 2002:

The Handbook of Comparative Criminal Law Kevin Jon Heller, Markus Dubber, 2010-12-01 This handbook explores criminal law systems from around the world with the express aim of stimulating comparison and discussion General principles of criminal liability receive prominent coverage in each essay including discussions of rationales for punishment the role and design of criminal codes the general structure of criminal liability accounts of mens rea and the rights that criminal law is designed to protect before the authors turn to more specific offenses like homicide theft sexual offenses victimless crimes and terrorism This key reference covers all of the world's major legal systems common civil Asian and Islamic law traditions with essays on sixteen countries on six different continents The introduction places each country within traditional distinctions among legal systems and explores noteworthy similarities and differences among the countries covered providing an ideal entry into the fascinating range of criminal law systems in use the world over **Australian**

Cartel Regulation Caron Beaton-Wells, Brent Fisse, 2011-04-25 Cartel regulation is a prime element of competition policy and an essential means of minimising the adverse effects of cartel activity on economic welfare However effective cartel regulation poses distinct challenges for governments competition authorities and commentators across the globe In Australian Cartel Regulation leading competition law experts Caron Beaton Wells and Brent Fisse reflect on developments in anti cartel law in Australia over the last 30 years They provide a comprehensive account of the current law on cartels as well as discussing key issues that may arise in the future This definitive volume not only identifies the practical and theoretical issues but also recommends workable solutions and does so with the benefit of comparative analysis of the anti cartel laws of major overseas jurisdictions Many of the issues identified and discussed in Australian Cartel Regulation are common to any scheme designed to regulate cartel conduct International Criminal Law and Philosophy Larry May, Zachary Hoskins, 2010

International Criminal Law and Philosophy is the first anthology to bring together legal and philosophical theorists to examine the normative and conceptual foundations of international criminal law International criminal law is still an emerging field and as it continues to develop the elucidation of clear consistent theoretical groundings for its practices will be crucial The questions raised and issues addressed by the essays in this volume will aid in this important endeavor

Regulating Deviance Bernadette McSherry, Alan Norrie, Simon Bronitt, 2008-12-12 The criminal attacks that occurred in the United States on 11 September 2001 have profoundly altered and reshaped the priorities of criminal justice systems around the world Domestic criminal law has become a vehicle for criminalising new terrorist offences and other transnational forms of criminality Preventative detention regimes have come to the fore balancing the scales in favour of security rather than individual liberty These moves complement already existing shifts in criminal justice policies and ideologies brought about by adjusting to globalisation economic neo liberalism and the shift away from the post war liberal welfare settlement This collection of essays by leading scholars in the fields of criminal law and procedure criminology legal history law and
