Communication D'entreprise en Afrique Traore,2005 *Communication d'entreprise en Afrique* Vincent

Traore,2005-01-01 Fruits de longues années d'expériences cet ouvrage crit par un Africain suggère au lecteur des méthodes simples et proactives pour le succès de stratégies de communication en entreprise Il fournit aux étudiants et aux professionnels de la communication des techniques appropriées leur permettant de participer la conception la gestion et la planification d'actions de communication De plus il offre la possibilité de présenter l'univers culturel africain au sein du monde du travail **STRATEGIES DE COMMUNICATION INSTITUTIONNELLE** Franck Elias Mukanya

Lusanga,2025-11-18T00:00:00Z Les entreprises publiques et leurs managers en particulier sont particulièrement butés une violence médiatique digne des affres prsumées de l'enfer Plusieurs communicants institutionnels sont fréquemment placés dans les mêmes conditions et totalement désarmés pour faire valoir dans l'espace public leur message face aux jugements sans appel du tribunal médiatique une catégorie des professionnels de médias animés par des logiques d'action controversées Le présent ouvrage est la fois un diagnostic lucide des atouts traditionnels que peut fournir une utilisation judicieuse des médias en République Démocratique du Congo spécialement mais aussi une offre de stratégies alternatives pour tous les communicants du secteur public bien souvent désarmés face à toute puissance supposée mais irréaliste des médias Voici autour de cette charpente constructive une randonnée palpitante et savoureuse dans les fondamentaux de la communication stratégique les chemins consacrés de la construction de l'image institutionnelle l'analyse de la puissance prsumée des médias les dérives techniques observées dans le champ empirique l'échelle nationale et internationale les opportunités pour les différents acteurs sociaux de faire triompher en coresponsabilité les impératifs de l'information autant que ceux de la communication Le contenu de cet ouvrage ici proposé en seconde édition par son auteur a été précédé d'une première édition par Amazon Kindle sous le titre et le sous titre suivants Face à l'enfer médiatique en RD Congo Stratégies de communication institutionnelle La présente édition met l'accent sur les conditions d'un partenariat possible entre les médias et les organisations sur la maîtrise indispensable de la violence et de l'offre médiatique par ceux dont l'existence dans l'espace public ne peut plus se concevoir dans l'ignorance des médias toutes formes confondues et plus encore aujourd'hui l'ignorance des NTIC ainsi que des réseaux sociaux singulièrement *La communication corporate dans la construction de l'image des entreprises multinationales en Afrique*

subsaharienne Gervais Cwako Monkam,2020-05-27 Cet ouvrage repose sur le constat de la négligence dont les organisations font preuve en général en sous estimant l'importance que leur image externe devrait avoir dans leurs politiques stratégiques et pratiques La présente recherche contribue à combler cette lacune D'une part en proposant une lecture de la communication corporate qui tient compte des valeurs socioculturelles locales et d'autre part en laborant un modèle explicatif du processus de formation de l'image externe et de son valuation sur le plan performatif Le propos tant de démontrer que l'étude de l'environnement externe des entreprises apporte une valeur ajoutée au diagnostic d'image ce qui a pour effet de débiter des stratégies

gies de construction identitaire cons quentes entendu qu elles se sont appuy es sur les attentes et les demandes des parties prenantes L tude de l image externe d entreprise que nous proposons s inscrit donc dans l volution des modes de pens e entrepreneuriale contemporaine et s int gre aux nouveaux modes d approche de l entreprise dont la l gitimit sociale est de plus en plus contest e
