Introduction to Community-Based Nursing Fifth Edition Testbank Test Bankia, 2016-06-11 Do you ever feel overwhelmed by concepts in Community Health Nursing Do you ever feel that it is just a small part of the entirety of nursing concepts yet you need to pass the subject to finish your nursing program Do you consider this as your Achilles heel in passing

NCLEX Community nursing is not a small matter at all. With the adaptive nature of the NCLEX exam it may happen that you may incorrectly answer 2 to 3 questions on this subject and subsequently find yourself lost answering many similar questions as the exam progresses. Don't get lost. Be ready and put on your best armor for success. This test bank will help you significantly because it highlights important concepts that will help you understand community nursing. The quality of this test bank is assured because community health nurses themselves compiled the questions. The test bank has undergone the strictest development and evaluation processes so that accuracy and significance are ensured. The test bank reveals concepts from the book *Introduction to Community Based Nursing Fifth Edition* by Roberta Hunt. The questions and rationales have been streamlined to include most important concepts to remember. It also includes the latest NCLEX question structure the SATA Select All That Applies questions to further enhance your test taking skills. The book itself develops clinical reasoning that will be helpful in these times when home health in the community setting gains momentum as stay in acute care settings is shortened. It also gives a fair emphasis on cross cultural care. Furthermore it provides a great insight into how the family influences individual care. Whether you are a student taking this subject a graduate aspiring to be a professional or already a registered nurse looking into community nursing as a career path this test bank is a powerful tool to help achieve your goals. It would give you an edge over others in terms of readiness and critical thinking skills. Get this test bank now.

Comprehensive Community Health Nursing Susan Clemen-Stone, Sandra L. McGuire, Diane Gerber Eigsti, 1998. *COMPREHENSIVE COMMUNITY HEALTH NURSING* is a readable text offering complete coverage of all major topics in community health nursing from epidemiology and communicable disease to chronic illness and home health nursing. Centered on the family as the basic unit of community, this edition highlights and expands the discussion of aggregates at risk with a new chapter on contemporary health issues including poverty and homelessness, substance abuse and violence. The text has been thoroughly updated to describe the impact managed care is having on the health care delivery system. The various roles and responsibilities of community health nurses within a spectrum of non acute care settings such as schools, businesses and industries, clinics and hospice centers are clearly described. Provides a complete discussion of U.S. health legislation and health services to help the reader understand the current status of the health care system and access valuable services for their clients. Integrates over 40 case studies to demonstrate application of concepts to practice. Includes standards of practice developed by the American Nurses Association and other bodies for Community Health Nursing, Home Health Nursing, Gerontological Nursing and more. Uses the nursing process including nursing diagnosis and intervention to consistently present care of families, aggregates and communities. Provides coverage of growth and development of aggregates at risk across the lifespan to help the reader plan and implement health promotion strategies at the primary

secondary and tertiary levels Features An Exercise in Critical Thinking at the conclusion of each chapter to enhance analysis and problem solving skills Provides assessment tools and quick reference information in appendices for easy access Offers an Instructor s Resource Manual with approximately 1 000 test questions answers and transparency masters plus a Computerized Test Bank
