Company Law Csr Economic Challenges:

Corporate Governance and Corporate Social Responsibility: How to Tackle Environmental Imperatives in Company Law? Christophe George, 2023-10-04 The book first discusses the concepts of corporate governance and corporate social responsibility CSR and provides a new framework to deal with these issues in the context of sustainability It then explores the requirements of an end state of global sustainability and subsequently moves to a detailed analysis of the current governance regime delving into the CSR related liabilities and incentives at stake for both corporations and their directors It concludes with a framework suggesting that there are four normative avenues for addressing environmental and social imperatives in company law which helps reflect on how to tackle the potentiality for a sustainability gap in corporate governance and CSR The author always discusses practical realities and incentives at both the policy and corporate levels in addition to theoretical aspects The thesis on which this book is based received the distinction Summa Cum Laude and the 2023 Law Faculty Prize from the University of Lausanne Dr Christophe George is a Research Associate at the Centre for Business Research in the University of Cambridge He holds a PhD in Company Law and Management from the University of Lausanne a Master of Law LLM from the University of Cambridge a Master in Management from Harvard University and a Master in Law and Economics from HEC Lausanne

Corporate Social and Environmental Responsibility Mengxing Lu, 2018-11-26 Corporate social and environmental responsibility CSR CER can be understood as practices which voluntarily extend beyond mere compliance with mandatory social and environmental standards Corporate social and environmental responsibility Another road to China's sustainable development by Mengxing Lu contributes to the current debate of CSR CER by providing a legal and economic analysis of CSR CER and its relationship with regulation Although the development of CSR CER is at an early juncture in China it is nevertheless a prominent topic for Chinese policy makers and business leaders alike By depicting the landscape of CSR CER in China Corporate social and environmental responsibility Another road to China's sustainable development successfully demonstrates the vast potential for CSR CER's contribution to China's sustainable development
