

## DOCUMENT BASED QUESTION--ABSOLUTISM

This question is based on the accompanying documents. It is designed to test your ability to work with historical documents. Some of the documents have been edited for the purposes of the question. As you analyze the documents, take into account the source of each document and any point of view that may be presented in the document.

### Historical Context:

During the 1500s and 1600s, Western Europe experienced a period of governments ruled by absolute monarchs.

**Task:** Use the information from the documents and your knowledge of global history, answer the questions that follow each document in Part A. Your answers to the questions will help you write the essay in which you will be asked to answer the following question:

**Prompt:** *How were absolute governments justified and practiced by European monarchs circa the 16<sup>th</sup> and 17<sup>th</sup> centuries?*

### Guidelines:

In your essay, be sure to:

- Develop all aspects of the task
- Incorporate information from *at least four* documents
- Incorporate relevant outside information
- Support the theme with relevant facts, examples, and details (FREDs!)
- Use a logical and clear plan of organization, including an introduction and a conclusion that are beyond a restatement of the question.

addresses the political traditions that flourished in regions traditionally neglected by Atlantic history but which are nevertheless indispensable for a comprehensive interpretation of political modernity The history of political liberty simply cannot be reconstructed without taking into account the role of the Atlantic as a space for the circulation of ideas The

different chapters trace the origins of the Atlantic notions of liberty in the crisis of the colonial world in the diverse processes that led to independence from the metropolis and in the subsequent efforts to build a constitutional order The book takes an innovative approach by putting together experiences of the English Portuguese and Spanish Atlantic and by dealing with political ideas as discursive and socially embedded practices      **The Woman Citizen** ,1920      **Home-study Department** University of Chicago.
