Specimens of American Annuals, Directories, Reports, Etc ,1872 **Deutsch-amerikanische Apotheker-zeitung** ,1917 *New York Vertical* Horst Hamann, 2001 Some people may mistakenly overlook this book because of the novelty of its central idea upending a panoramic camera to shoot New York City vertically But veteran photographer Horst Hamann s pictures have nothing gimmicky about them in fact like Berenice Abbott s they seem destined for New York City photo immortality The pictures are beautifully controlled in vision in camera technique and in printing What s more Hamann bends the city to his vision of light air and geometry A shot of the Statue of Liberty s right arm holding the lamp aloft is a masterwork of composition and care It s as if Hamann somehow arranged for the sea below to darken in precisely the same gradations as the Lady s stately arm Compare it to a dizzying picture of one of the Chrysler Building s shiny eagle heads or a serene moment among the hosta lilies in Trinity Church cemetery for a grasp of Hamann s range Each photograph is paired with a quotation on the opposite page such as Walt Whitman s The beautiful city the city of hurried and sparkling waters or former mayor James J Walker s quip I d rather be a lamppost in New York than Mayor of Chicago The back of the book contains information on the places in the photographs On a shelf of New York books this one might take its place next to Paul Goldberger s classic *The City Observed* as a fresh example of how New York s stone steel and glass architectural icons are reinvented with each new visionary **A Guide to the Literature of Chemistry** Evan Jay Crane, Austin McDowell
