Lottman, 2003-10-23 This is the remarkable story of how two brothers Edouard and Andre Michelin turned a sleepy family tyre firm in the heart of rural France into one of the most innovative and successful industrial empires in the world Edouard a landscape painter at the Ecole des Beaux Arts displayed an engineering genius for tyre making and product innovation whilst Andre trained as an engineer displayed a creative genius for advertising and marketing Together they kick started the world motor industry and created a tourist industry around the motor car and their now legendary Michelin Guides The Michelin history as described here by Herbert Lottman reveals insights into the development of this remarkable business
