

Mock Trial Script

Civil case

This is a fill-in-the-blank script for a civil mock trial. Mock trial materials are readily available from state and national legal education organizations. The purpose of this is to provide the framework for students in preparing and performing a mock trial. Each student with a role would get a copy of this. There are spaces in which students write out information needed. Attorneys and witnesses can work together to develop direct examination questions and answers. This script is designed assuming each side has three witnesses and three attorneys. It can be altered as needed.
