Michelle Fox,2022-07-16 Little known fact about being a werewolf There are always wolves at your door and some of them are up to no good Chloe Weiss dreams have finally come true She s a null no more her wolf has finally come She s now a full member of her pack in the remote Appalachian weretown of Hunstville Even better she s mated to the pack s next alpha Jackson Swift However now that she s on the other side of her happy ending things aren t quite as rosy as she d expected The women of her pack resent her status as alpha s mate and suddenly there are rumors that Chloe is an Omega a werewolf so weak they are banned from ever mating Worse an old friend of Jackson s blows into town full of disapproval and competition It seems no one likes Chloe except Jackson Then women start disappearing violently kidnapped from their homes and never heard from again There s a killer on the loose in the small town of Huntsville and the one wolf he d do anything to have is Chloe Now Chloe will have to fight for Jackson her place in the pack and her life This full length novel is a sequel to the bestselling To Bring Her Wolf What readers say I love how well the characters are developed and rounded out I feel like I know about these characters before they jump in the sack which for me is a HUGE deal Fox adeptly weaves several enchanting love scenes into her romance framework Best of all they actually add to the story This is the third shifter story I ve read from this author and I love the edge of humor the way she introduces the problems of the pack and the wolfish behavior that sneaks into the human interaction Editorial Review 4 5 stars from Night Owl Reviews I got caught up in the interesting original storyline drama action suspense I was not bored with Michelle Fox s vivid storytelling I could not put the book down Excerpt I think my wolf hates me I rolled over in bed and snuggled up against Jackson with a pout It had been two weeks since he brought my wolf and claimed me as his mate My life should be perfect I had everything I d ever wanted a

place in the pack and my very own tall dark and handsome man to warm my bed but things weren't seamless I felt itchy in my new skin as if it wasn't the right size From the way some of the other wolves treated me it seemed they felt the same I hadn't fit in when everyone thought I was a null and now I didn't fit in as a wolf Jackson wrapped a strong arm around me and gave me a reassuring squeeze It just takes some time Clo Changing is awkward at first She looks at me like I'm offending her I frowned She was doing it right now in fact Whenever I blinked her haughty expression flashed against the backs of my eyelids How does your wolf look at you He cocked his head and thought for a moment He just looks at me That's it I sighed and rolled away Jackson oozed sex like a pagan god and he looked the part too with his sculpted muscles dark molten chocolate eyes and black wavy hair However it sometimes seemed he didn't think over much about anything but sex Not that I was complaining He was a fantastic lover but I would've appreciated a little introspection just then Maybe all the hot steamy sex we had was messing with the blood supply to his brain Punching my pillow I attempted to settle in for the night Sleep eluded me more often than not these days Everytime I closed my eyes there was my wolf her gleaming yellow gaze boring into my brain She seemed to be expecting or wanting something but I had no idea what I know a way to guarantee sweet dreams Jackson's hand spun little circles on my shoulder as his other hand inched the covers off me I shivered both from his touch and the cool air We'd started our relationship in the fall when the sun was still strong enough to blunt the chill Now on the cusp of winter the air nipped at my skin Oh really I arched an eyebrow and resisted the urge to pull the covers back over me Jackson was warmer anyway Not to mention he provided orgasms Yep He straddled my hips and leaned down to nuzzle the nape of my neck Let me guess I put a finger to my lips and pretended to think very hard Is it sex His deep chuckle seemed to rumble through my body as well as his Yep Jackson gently kissed my neck working his way to the hollow of my throat Again I gave a soft gasp as his lips roamed my sensitive flesh We went at it so often I wondered if we were really rabbits The sensual pull between us was magnetic We almost couldn't help ourselves And again he murmured in a baritone so deep it vibrated through my neck I can't get enough of you Chloe Not since the day I first saw you
