

Press Release

For immediate release: 11/12/2023

It has become undeniable that a fringe group of bored zealots that are tied to billionaire PACs pushing religious extremist beliefs, have nothing better to do (like parenting their own children) as they continue to aimlessly attack imaginary culture war boogie men. This ultimately harms children and the educators entrusted to teach them.

Defense of Democracy - Oklahoma believes Scholastic Book Fairs are a great resource for public school children to access new, AGE APPROPRIATE literature that they may not otherwise get access to in their school or public library. If parents don't want their child to have access to certain literature that goes against their beliefs, we highly encourage them to be more involved in talking to their own children and leaving everyone else's children alone.

We condemn groups like Moms For Liberty, who are actively trying to get "alternative" resources like PragerU and Good News Book Fairs into our schools. Defense of Democracy - Oklahoma vehemently opposes treading on parents' right to have inclusive and secular book options offered to their children.
