The Publishers Weekly, 1911 *A Comedy of Horrors* M.L. Knarr, 2013-08-20 A Comedy of Horrors is a collection of stories and poetry with an unusual flair Some are horror stories some are stories of the supernatural and the macabre and some of the stories are just plain weird There are fairy tales and science fiction fantasy and fiction and there are even a couple that deal with real life issues written from a different perspective The poetry is mostly surreal and dark *A Search for Clarity* Jean-Claude Milner, 2020-12-15 In A Search for Clarity Jean Claude Milner argues that although Jacques Lacan s writing is notoriously obscure his oeuvre is entirely clear In a discussion that considers the difference between the esoteric and exoteric works of Plato and Aristotle Milner argues that Lacan s oeuvre is to be found in his published writings alone not his transcribed seminars and that these published writings contain his official doctrine Thus Lacan s oeuvre is already complete even though many of his seminars remain unpublished According to Milner Lacan s fundamental idea is that the subject psychoanalysis works on is the subject of science Milner suggests that this is a supplement to Alexandre Koyr s and Alexandre Koj ve s accounts of modern science for which mathematization and a break from the ancient episteme were key A Search for Clarity is the definitive statement on how Lacan viewed the relationship between psychoanalysis and science and on how Lacan s thinking evolved as he struggled to draw out the consequences of the equation he posited between psychoanalysis and science Milner s work on Lacan has been essential reading in French for decades This English translation will make his illuminating work accessible to a broader audience *Feminist Collections*, 1982 **The Spectator**, 1907
