Clairvoyant The Imagined Life Of Lucia Joyce:

The Clairvoyant Alison Leslie Gold,1991-01-01 Clairvoyant Alison Leslie Gold,1992-06-16 A moving recreation of the tortured life of Lucia Joyce the schizophrenic daughter of James Joyce follows Lucia s struggle to survive despite the terrifying effects of this devastating mental illness Lucia Joyce Carol Loeb Shloss,2025-09-23 Whatever spark or gift I possess has been transmitted to Lucia and it has kindled a fire in her brain James Joyce 1934 Most accounts of James Joyce s family portray Lucia Joyce as the mad daughter of a man of genius a difficult burden But in this important new book Carol Loeb Shloss reveals a different more dramatic truth her father loved Lucia and they shared a deep creative bond Lucia was born in a pauper s hospital and educated haphazardly across Europe as her penniless father pursued his art She wanted to strike out on her own and in her twenties emerged to Joyce s amazement as a harbinger of expressive modern dance in Paris He described her then as a wild beautiful fantastic being whose mind was as clear and as unsparing as the lightning The family s only reader of Joyce she was a child of the imaginative realms her father created and even after emotional turmoil wrought havoc with her and she was hospitalized in the 1930s he saw in her a life lived in tandem with his own Though most of the documents about Lucia have been destroyed Shloss painstakingly reconstructs the poignant complexities of her life and with them a vital episode in the early history of psychiatry for in Joyce s efforts to help her he sought the help of Europe s most advanced doctors including Jung In Lucia s world Shloss has also uncovered important material that deepens our understanding of Finnegans Wake the book that redefined modern literature **James Joyce's Legacies in Contemporary Irish Women's Writing** Annalisa Mastronardi,2025-09-10 James Joyce s Legacies in Contemporary Irish Women s Writing is a ground breaking study that for the first time explores in depth the influence of James Joyce on Irish women writers from his contemporaries to more recent voices With a particular focus on Anne Enright s The Gathering Eimear McBride s A Girl Is a Half formed Thing and Emilie Pine s Ruth Pen this book examines how Irish women writers have engaged with Joyce s legacy Unlike their male counterparts who have often felt overshadowed by Joyce s influence Irish women writers have embraced and expanded upon his work viewing it not as a constraint but as an opening to new creative possibilities This book will be of particular value to Joyce scholars working in feminism and reception studies as well as students of Irish literature and women s writing It offers fresh insights into the evolving landscape of Irish literature and complicates Harold Bloom s theory of the Anxiety of Influence demonstrating how women writers perceive canonical figures like Joyce not as rivals but as trailblazers *A Companion to Literary Biography* Richard Bradford,2018-09-12 An authoritative review of literary biography covering the seventeenth century to the twentieth century A Companion to Literary Biography offers a comprehensive account of literary biography spanning the history of the genre across three centuries The editor an esteemed literary biographer and noted expert in the field has encouraged contributors to explore the theoretical and methodological questions raised by the writing of biographies of writers The text examines how biographers have dealt with the lives of classic authors from

Chaucer to contemporary figures such as Kingsley Amis *The Companion* brings a new perspective on how literary biography enables the reader to deal with the relationship between the writer and their work Literary biography is the most popular form of writing about writing yet it has been largely neglected in the academic community This volume bridges the gap between literary biography as a popular genre and its relevance for the academic study of literature This important work Allows the author of a biography to be treated as part of the process of interpretation and investigates biographical reading as an important aspect of criticism Examines the birth of literary biography at the close of the seventeenth century and considers its expansion through the eighteenth nineteenth and twentieth centuries Addresses the status and writing of literary biography from numerous perspectives and with regard to various sources methodologies and theories Reviews the ways in which literary biography has played a role in our perception of writers in the mainstream of the English canon from Chaucer to the present day Written for students at the undergraduate level through postgraduate and doctoral levels as well as academics *A Companion to Literary Biography* illustrates and accounts for the importance of the literary biography as a vital element of criticism and as an index to our perception of literary history

Imagining Gender in Biographical Fiction Julia Novak, Caitríona Ní Dhúill, 2022-12-15 This volume addresses the current boom in biographical fictions across the globe examining the ways in which gendered lives of the past become re imagined as gendered narratives in fiction Building on this research this book is the first to address questions of gender in a sustained and systematic manner that is also sensitive to cultural and historical differences in both raw material and fictional reworking It develops a critical lens through which to approach biofictions as fictions of gender drawing on theories of biofiction and historical fiction life writing studies feminist criticism queer feminist readings postcolonial studies feminist art history and trans studies Attentive to various approaches to fictionalisation that reclaim appropriate or re invent their raw material the volume assesses the critical revisionist and deconstructive potential of biographical fictions while acknowledging the effects of cliché gender norms and established narratives in many of the texts under investigation The introduction of this book is available open access under a CC BY 4.0 license at link.springer.com Chapter 1 is available open access under a Creative Commons Attribution 4.0

Karpinski, Ewa Kęłowska-Ławniczak, 2023-09-29 This interdisciplinary collection focuses on recent adaptations both experimental and popular that put hybridity transtextuality and transmediality at play It reframes adaptation in terms of the transmedia concept of world building which accurately captures the complexity and multidirectionality of contemporary scattered and ubiquitous practices of adaptation The editors argue that the process of moving stories or their elements across different media platforms and repurposing them for new uses results in the production of hybrid transtextualities The book demonstrates how hybrid textualities augment narrative and literary forms as goals of their world building finding unexpected sites of cross pollination expansion and appropriation in spoken word and dance performance auto biographical

comics advertising Chinese Kun opera and popular song lyrics This yoking of hybridity and transmediality yields not only diversified and often commercialized aesthetic forms but also enables the emergence a unique cultural space in between a mezzaterra capable of addressing current political issues and mobilizing broader audiences **Clairvoyant** Alison Leslie
