

## AGREEMENT FOR COVERAGE SERVICE

This Agreement ("Agreement") sets forth the terms and conditions under which Nevada Bell Telephone Company, d/b/a SBC Nevada ("SBC"), shall provide to CUSTOMER, SBC Long Distance, Inc., a service order advising and service order writing services ("Coverage Service") pursuant to the terms of this Agreement pursuant to Section 5 below for the following CUSTOMER ACPAA: SBC.

### I. SCOPE OF PRODUCT

SBC will provide Coverage Service to CUSTOMER. Coverage Service is ordered as either Standard or Special Project Coverage Service (the appropriate selection shall be checked by the customer at the execution of this Agreement).

#### ☐ Standard Coverage Service shall consist of:

1.) the partial or complete processing of an Access Service Request (ASR) pursuant to 2.2 below, via a web ordering tool, on behalf of CUSTOMER, for the following special access point-to-point or ring services to be purchased from SBC: voice grade, DS0, DS1, DS3, DS3a, DS12, OC-48 and OC-192 and the related access services to be purchased from SBC except for those special access and switched access services related to the following categories, including but not limited to, groups, calls and disconnects, which categories of services are excluded from Coverage Service;

2.) completing an ASR at the request of CUSTOMER for the services included in 1.) above and;

3.) providing a help desk service to assist CUSTOMER in completing an ASR for the services included in 1.) above.

#### ☐ Special Project Coverage Service shall consist of:

1.) the partial or complete processing of a Access Service Request (ASR) pursuant to 2.2 below, via a web ordering tool, on behalf of CUSTOMER, for the following services to be purchased from SBC (for the specific services) , except for those (listed services) related to the following categories, including but not limited to, groups, calls and disconnects, which categories of services are excluded from Coverage Service;

2.) completing an ASR at the request of CUSTOMER for the services included in 1.) above and;

3.) providing a help desk service to assist CUSTOMER in completing an ASR for the services included in 1.) above;

for the following Special Project (Special Project) only: The transfer of billing of a DS3 circuit to CUSTOMER from another access services customer.

### II. CUSTOMER'S OBLIGATIONS

2.1. CUSTOMER agrees to purchase special access and/or switched access services in section I above from the appropriate federal or state tariffs that reference the services listed in section I above.

2.2. CUSTOMER agrees to provide SBC with detailed information as requested by SBC to assist SBC in creating and processing a ASR service order via the SBC web ordering tool in conjunction with CUSTOMER should CUSTOMER request SBC to assist in writing or completing the ASR service order on its behalf. Once the detailed information is input, CUSTOMER can view the ASR service order via the web tool. If there is any inaccurate information in the ASR service order, CUSTOMER agrees to contact and advise SBC immediately. SBC will complete the ASR service order with agreed upon due date intervals, noting the date SBC receives all correct and necessary ordering information as the application date. SBC shall not be responsible for any inaccuracies or errors in the ASR service order that

Real Estate in South Asia Prashant Das, Ramya Aroul, Julia Freybote, 2019-06-03 This book provides insights into commercial and residential real estate markets in one of the world's fastest growing regions South Asia. Despite being the growth leader of the future, South Asia is among the least integrated regions with a large need for real estate specific information and knowledge. Scholars and industry practitioners from a variety of backgrounds come together to provide pan regional and country specific insights into amongst others institutional economic and real estate market characteristics, real estate specific legislation, real estate financing, development and urban planning practices in Bangladesh, Bhutan, India, the Maldives, Nepal, Pakistan and Sri Lanka. A particular focus of the book is on topics such as the provision of affordable housing, sustainability, innovative office concepts such as co working and the development of real estate investment trust REIT markets in South Asia. This book integrates knowledge on real estate markets in and across South Asian countries by means of country profiles and case studies to provide industry professionals, policy makers and scholars with a fundamental understanding of characteristics, opportunities and challenges in the region. The book is intended for readers with interests in real estate development, finance and investment, urban planning and housing in South Asia. It is also suitable as a reference textbook for undergraduate and graduate students in programs focusing on real estate, economic development, urban planning and public policy in South Asia and other emerging countries.

**Healthcare Safety and Security** Charles Schnabolk, Bernard Scaglione, 2025-11-19 Safety and security are important issues both for hospital staff members and their patients. Written by healthcare gurus Charles Schnabolk and Ben Scaglione, this book is an expose on the current state of healthcare and the dangers and risks associated with being a patient navigating within the healthcare environment. The authors address the risks and threats hospitals and healthcare staff endure while treating patients and working in the healthcare field. They discuss the potential hazards associated with patient treatment and care. From wrong site surgeries to acquired infections, the book includes some of the top patient risks as outlined by the Joint Commission's National Patient Safety Goals and discusses other less acknowledged risks, ones not immediately known to the public like loss of personal property, sexual assault and the physical as well as mental abuse that patients may suffer while housed or visiting within the healthcare environment. Also included is a discussion of newer hazards brought on by current technology like cyber security. The authors describe the challenges hospitals have associated with hackers and staff who wish to destroy or steal medical records. Hackers who hold hospitals hostage and seek monies in return for stolen access to medical records captured during a hack into the hospital's virtual network. Staff who steal medical record information which they look to sell to the highest bidder on the dark web for use in compromising the financial information of those patients who use hospital's services. Most hospitals in the U.S. have a long list of procedures, rules and regulations to keep staff and patients safe including but not limited to staff assaults, abuse and bullying. The violence staff has endured while working within hospitals, clinics and the

Emergency Department has been increasing over the years peaking post Covid 19 to levels never seen before The book discusses the violence that has plagued healthcare for decades According to the Joint Commission healthcare workers are around four times as likely to experience workplace violence compared to workers in other industries Talking about the unknown abuse that occurs between nurses and doctors in the care of patients during surgeries and medical treatments The authors address these issues and many more while providing current information on each topic and suggesting resolutions and mitigation strategies that assist in reducing the potential for the identified risks from occurring again **Hotel Law** Nelson Migdal,2015-05-08 Hotel Law Transactions Management and Franchising presents a practical guide to the issues that face lawyers and industry leaders working in the hospitality field It aims to develop the reader s understanding of the acquisition process and the complex relationships in management and franchise deals that dominate the hotel industry This text is written primarily as a desktop reference for legal practitioners working in the hotel law field and is also suitable for students studying towards hotel and hospitality careers both at an undergraduate and law school or graduate level The highly experienced author contributors and editors offer insights into the industry players and their preferred positions desired outcomes and the potential pitfalls that can ensnare even the most well planned deals With broad coverage of the rapidly growing field of hospitality law including gaming recreation and amenities the book s approach examines the dominant models of hotel ownership management and franchising and includes independent hotels and the move towards complex resorts The book s coverage of key legal topics ranges from real estate to intellectual property contracts and finance Hotel Law will give readers an understanding of the hospitality industry from the perspective of the transactional practitioner while examining the multi party relationships and agreements that develop between an owner operator licensor and lender
