City Guide Paris 2013 Half Marathon:

Running the Sahara Marcel Nickler, 2021-09-02 Running the Sahara is more than my experience of participating in the Marathon des Sables 2017 Though much of the book is about my time in the desert and I talk about my preparation and the equipment I used the book is also profoundly personal I tried my best to explore my passion for running and life I hope the reader finds it entertaining and inspiring to follow me from meeting Herr Hammermann during my first marathon to my finish of the nearly 250 kilometer race in the Moroccan Sahara It is a book about the gift of life so there are some disappointments and moments of despair but there are also triumphs and the sublime I believe when dreams close other dreams open and that by setting goals and being disciplined all of us can shift the balance and get to where we want to be What started as a book about the Marathon des Sables turned into the story of my life **The Official Railway Guide**
