[Paris in 3 Days](#) **Finest City Guides**, 2016-09-19 There are many types of tourists' guides and some of them focus on Paris but this book will prove incredibly helpful thanks to its high practical value. It is a guide that was primarily designed for people who have to stay in Paris for a few days only. It is for them that it comes hardest to organize their visit in the city because they basically have to make many choices and condense the beauty of Paris in a short time frame. However, naturally, this book is also useful for people whose stay in the capital is longer but who don't know very well what is worth seeing, most of all, what they should do in Paris to get around easily and how they could save time and maybe also money.
