Congressional Elections Stephen K. Medvic,2001 Campaign consultants are arguably now as famous in the United States as the politicians themselves During the past decade those who know the names Bill Clinton George Bush Newt Gingrich and Christine Todd Whitman also recognize the names James Carville Mary Matalin Frank Luntz and Ed Rollins Professional consultants once part of the privileged inner circle of presidential and gubernatorial candidates are increasingly found at all levels of politics Indeed more than half of congressional candidates hire campaign consultants These professional have become as important to a candidate s success as money In this innovative study Stephen K Medvic explores all aspects of political consultancy and develops an empirically based theory that ensures the impact consultants have on elections Political Consultants in U S Congressional Elections answers two simple questions What do professional political consultants do and How successful are they Medvic analyzes the way consultants shape political dialogue and uses empirical data to show the benefits and limits of a consultant s involvement in a campaign He focuses on issues as diverse as vote shares outcomes and fundraising Finally the author demonstrates how the adversarial nature of campaigns fosters the kind of electioneering advocated by most political consultants and argues that this process may not be as harmful for the country as is often suggested **Guide to Basic Edition Government by the People, Burns, Peltason, Cronin, Twelfth Alternative**
