

Democracy

In a democracy, the people govern themselves through voting. There are two types of democracy: direct democracy and representative democracy.

Constitutional Monarchy

In a constitutional monarchy, the king or queen still inherits their power based on the family they are born in to, and still make the laws, but the king or queen are limited in power by a constitution, which tells them what they can and cannot do. A constitutional monarchy is also called a limited monarchy.

Discussion:

What do you know about the government in the United States? Do citizens have a say? Who leads the country? Is there one ruler with all of the power or is the power split up?
