Civil Service Reviewer Bing:

Whitman in Washington Kenneth M. Price, 2020-11-12 During Walt Whitman's decade in Washington DC 1863-1873 he labored intensely at times seeming to have three lives at once. He wrote the most distinguished journalism of his career, came into his own as a writer of letters, crafted memorable Civil War poetry, *Drum Taps* and *Sequel to Drum Taps*, and later folded it into heavily revised and expanded versions of *Leaves of Grass* and produced his searching but also flawed critique of American culture, *Democratic Vistas*. Whitman's work through the first three editions of *Leaves* often receives the highest praise, yet his writing in the Washington years is exceptional too, by any reckoning, and is all the more remarkable given that he also cared for thousands of wounded and sick soldiers in Washington hospitals, serving as an attentive visitor. In addition, he served as a government clerk in various positions, most notably in the attorney general's office, when much was accomplished on the road toward a multi-racial democracy, including efforts to suppress the Ku Klux Klan, and much was also missed both by the attorney general's office and by Whitman in the efforts to advance a more just and vibrant union. Kenneth M. Price analyses Whitman's integrated life, writings, and government work in his urban context, to re-evaluate the writer and the nation's capital in a time of transformation. Drawing on an expanded Whitman corpus, including nearly 3,000 Whitman documents, Price recently identified in the National Archives. *Whitman in Washington* demonstrates that the power of Whitman's Civil War and Reconstruction writing emerges more fully than previously imagined from his intimate knowledge of the capital city, its bureaucracies, and its tumultuous post-war history.

Pirates and Publishers Fei-Hsien Wang, 2022-06-07 A detailed historical look at how copyright was negotiated and protected by authors, publishers, and the state in late imperial and modern China. In *Pirates and Publishers*, Fei Hsien Wang reveals the unknown social and cultural history of copyright in China from the 1890s through the 1950s, a time of profound sociopolitical changes. Wang draws on a vast range of previously underutilized archival sources to show how copyright was received, appropriated, and practiced in China within and beyond the legal institutions of the state. Contrary to common belief, copyright was not a problematic doctrine simply imposed on China by foreign powers with little regard for Chinese cultural and social traditions.

Shifting the focus from the state legislation of copyright to the daily on the ground negotiations among Chinese authors publishers and state agents Wang presents a more dynamic nuanced picture of the encounter between Chinese and foreign ideas and customs Developing multiple ways for articulating their understanding of copyright Chinese authors booksellers and publishers played a crucial role in its growth and eventual institutionalization in China These individuals enforced what they viewed as copyright to justify their profit protect their books and crack down on piracy in a changing knowledge economy As China transitioned from a late imperial system to a modern state booksellers and publishers created and maintained their own economic rules and regulations when faced with the absence of an effective legal framework Exploring how copyright was transplanted adopted and practiced *Pirates and Publishers* demonstrates the pivotal roles of those who produce and circulate knowledge Records & Briefs New York State Appellate Division , *The Chinese Social and Political Science Review* ,1923 Has annual indexes National Municipal Review ,1926 Reports of cases determined by the Supreme Court of the state of Nevada ,2002 *Electrical Review and Western Electrician* ,1909 *The Saturday Review of Politics, Literature, Science, Art, and Finance* ,1890 **New York Review of the Telegraph and Telephone and Electrical Journal** ,1909 Reports of Cases Decided in the Appellate Division of the Supreme Court of the State of New York New York (State).
