happened One minute he was walking down the long corridor toward the garage to collect his car and the next second he was grabbed and pushed into a semi dark room Only a soft light was shining at the other end of the room Several people were holding him judging by their size they were all men The smell of leather was overwhelming What the hell Cecil blurted out as they started to tear off his clothes Shut up or we won't go easy on you The deep voice sounded somewhat familiar but Cecil couldn't place it He tried to fight them kicking and punching whatever he could hit but they were too many for him He knew there was no point in fighting them but he didn't want them to think he would just roll over and let them kill him without a fight Stop fighting dammit a man said before he grabbed hold of Cecil's waist and held him tight to his chest The man was huge Towering over Cecil's smaller frame But Cecil wouldn't let that stop him He would soon be dead anyway so he hadn't much to lose Help Cecil screamed The man behind him placed his palm over his mouth muffling his next shout

you have to make an appointment with my secretary The man towered over him It sounded as if he was sniffing him Then a brief look of surprise passed over his face What the f ck the man grunted out the words The man looked confused and bewildered As if something had suddenly knocked him off his high horse and refused to let go It didn t last long He placed his palm on Julian s neck and forced him to move Take me to your office he growled at him What for Julian objected and refused to move But the guy was too strong for him Or I ll carry you there Julian the man said in a low voice Julian whirled around and tried to push him away The man wasn t budging at all I m calling the police The man tightened his grip on his neck No you won t We ll do this quickly or I will put you over my shoulder and carry you there Alright I can spare a few minutes Julian relented He turned to Lydia to make sure she knew he was still in control of the situation Lydia please tell the rest of my team that they can start the meeting without me Yes sir Julian led the way to his office and sat down in his chair What is this about You re handling the Bearclaw Mountain account That s private information I can t answer that Quit the bullshit I recognise your name from the nagging emails we receive every week Right Then you must be Torin Wilder Yes The man moved closer and leaned over Julian s desk Julian pulled back instinctively Are you scared of me human Torin sounded more smug than he should No why would I You really have no idea what I am do you Julian was tiring of this bullshit He hated it when clients looked at his short and skinny body and thought they could bully him into doing extra work for them He straightened his back and gave the man in front of him a firm look Just say what you have to say and get out I have more important things to do than to deal with a bully Torin laughed You seriously need a good spanking pup But don t worry I m most eager to give you what you need Julian looked at him in confusion Why don t we stick to business instead of throwing out threats I have plenty of witnesses around You re right This isn t the time or place for what I have in mind Torin leaned in grabbed Julian s shoulder and sniffed him one more time Julian pulled away but he could still feel the man s lips touch his shoulder before Torin retreated Some other time Torin said before he headed for the door Julian glared at him in confusion The large man left more quietly than should be expected of someone so big What the hell did he want Had he only wanted to scare him Or was he searching for something else Julian took a deep breath For a moment he had been sure that the man wanted to take a bite at him But that couldn t be the case Even the most demanding clients didn t go around biting their accountants
