age or stage of life you re never done growing The summit of one adventure is the starting point of the next Whether you re craving a career move a change of surroundings or a new phase of a relationship Repotting Your Life will help you design a future full of fresh possibility where you can truly blossom <u>Unattainable Bride Russia</u> Ellen Rutten,2010-03-08

Throughout the twentieth century and continuing today personifications of Russia as a bride occur in a wide range of Russian texts and visual representations from literature and political and philosophical treatises to cartoons and tattoos Invariably this metaphor functions in the context of a political gender allegory which represents the relationships between Russia the intelligentsia and the Russian state as a competition of two male suitors for the former s love In Unattainable Bride Russia Ellen Rutten focuses on the metaphorical role the intelligentsia plays as Russia's rejected or ineffectual suitor Rutten finds that this metaphor which she covers from its prehistory in folklore to present day pop culture references to Vladimir Putin is still powerful but has generated scarce scholarly consideration Unattainable Bride Russia locates the cultural thread and places the political metaphor in a broad contemporary and social context thus paying it the attention to which it is entitled as one of Russia's modern cultural myths
