I never believed in magic until the night she disappeared. At the last Halloween party I met her. A mysterious woman with fairy wings, a mischievous smile, and pom-pom shoes that barely made a sound as she danced into my life. She told me to close my eyes, and when I opened them she was gone, vanished like magic, leaving only the ghost of her kiss and the fire in my chest. Now I can't get her out of my mind. I am Henry, the third of the Falling Angels, known for my confidence, my charm, and my refusal to believe in fate. But something about her, her touch, her lips, the way she disappeared has changed me. I need to find her. Who was she? A trick of the night? A figment of my imagination? Or something more? One thing is certain: I believe in fairies now. And I will stop at nothing to uncover the mystery of the woman who bewitched me. Vanished Like Magic is a captivating romance filled with mystery, passion, and a touch of the supernatural. If you love irresistible chemistry, enigmatic heroines, and a hero who won't stop until he finds his fate, this book is for you.
