

How to Write a Series

1. Know what makes a series

Include multi-book continuity and development.

2. Choose a series-wide conflict

What unknown could sustain curiosity across sequels?

3. Create an addictive world

Add fun details that make settings worth revisiting.

4. Outline in advance

Try to keep a bird's eye view of your series' arc for clarity.

5. Reveal characters gradually

Build characters over multiple books - delay some backstory.

6. Introduce new characters

Add new characters who help or hinder in sequels.

7. Give each character an arc

Who wants what? How will they act on their desires?

8. Give each book a focus

Be it discovering a world (e.g. Narnia) or something else.

9. Give middle books subplots

Find events that make end goals harder to reach.

10. Give strong endings & titles

Resolve main conflicts & find titles that echo events.
