Once purchased, this book will tell you how to methodically plan to save money and map out your future and financial freedom. The book takes you step by step, taking you by the hand to be well on your way to saving money. The solution is within you and your desire to change. Many, many people in today's society live way beyond their means. Usually it is because they buy things they really don't need; they try to keep up with the Joneses and to top it all off, they spend money they do not have by charging it on credit cards. The reality is that you have to be smart with your money and you can't indulge in things that are not necessities in life. However, that doesn't mean you can't enjoy your life and still spend money on yourself. How, you ask? With a little discipline, you would be surprised how much money you can save starting in the very first month. As long as you bring in more money each month than you have going out, there is an opportunity to save. Most people who spend too much often wonder where their money goes each and every paycheck. The truth is it is being wasted on frivolous things and there is usually plenty of disposable income that can be stashed away each and every month. Do you qualify as one of these people? Most likely yes, or you wouldn't be purchasing this book now. I commend you for getting this far; you are almost there. This book will walk you through the essential things you should know about saving money while on a limited or minimal income.
