

BEFORE YOU PUBLISH

A must do seven-point checklist to help first-time authors avoid making mistakes that are extremely difficult to correct after self-publishing a new book.

1 PERFECT YOUR MANUSCRIPT

Your manuscript needs to be read, and indeed, carefully proofread by a bare minimum of three people apart from the author. Read here, more is very much better.

2 A FANTASIC BOOK COVER

If you spend money on nothing else, spend wisely and pay for a professionally designed book cover, and especially doubly so for a print on demand (POD) paperback.

3 GET YOUR WEBSITE READY

Racing to update, or worse, building a new website when or after you publish a new book is going to waste a lot of promotional traction.

4 ALIGN YOUR SOCIAL MEDIA

You are going to be an author, so make sure your social media accounts reflect your new status. Check all your profile descriptions and re-write them to note that you write books.

5 PLAN YOUR BOOK LAUNCH

Use every single resource you have, and also investigate what you can do to spread the word even further. If your budget allows, look at book promotion services that can give your book a promotional boost.

6 WRITE YOUR BOOK DESCRIPTION

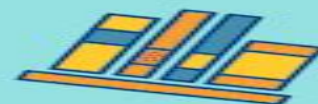

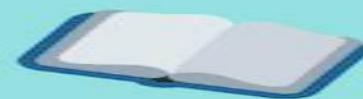

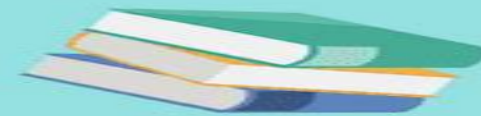

A great book description excites, builds expectation and tells a reader why they should buy your book. Your book description is second only to your great book cover in attracting book buyers, so make sure it's a winner.

7 CATEGORIES AND KEYWORDS

It takes time to investigate which two main categories will help promote your book, and even more, research is needed to find seven keywords or keyword phrases that will help readers find your book by Search.

Slow down and don't get carried away with all the excitement.

Get things right first, before you self-publish.

Love For & From My 4-Legged Son: How an ordinary golden retriever became an extraordinary dog Michael N. Marcus, 2017-04-13 This is the story of the amazing Hunter J Marcus my four legged son Hunter lived for 15 years and three months He was a golden retriever and the typical lifespan for a golden is 10-12 years so he definitely had high mileage His death was not sudden violent nor unexpected but was nonetheless very sad I could not be more miserable because of the loss of a human child I never thought of Hunter as a pet and certainly not as a possession He was a housemate playmate child co-conspirator fellow traveler and most of all my best buddy He soared like an eagle swam like a porpoise ate like a shark and often thought like a human Hunter understood dozens of English words and was very obedient when he chose to be Golden retrievers are very smart and very independent Hunter always knew exactly what he was supposed to do in any situation and sometimes he was willing to do what he was supposed to do We rewarded bad behavior because anything a dog does is cute This book is a memorial but it's fun not morbid
