**How to Write Your First Book** Isabella G,2019-02-23 Writing a book is no easy task but trying to do it without guidance is almost impossible as a beginner not to say

time consuming You don't need to be a professional writer in order to publish a book as long as you have something to say that's worth saying then I say go for it With this book on how to write books I will help you with some techniques that have helped me write and publish over 10 books in one year Everything I wish I knew before starting writing and publishing my own books will be included in full detail in order to help you out as much as I can I'm sure that you're a busy individual who values his or her time therefore this book is focused on teaching you as much helpful information as possible in the least amount of pages I'm going to cut out the fluff and leave as much juicy meat for you to consume fast This way you can start writing your own book this month without wasting any time trying to figure out how to do it If you want a 100 000 word book on how to write and publish then this is not for you but if you're into efficiency and getting things done then you've come to the right place Throughout the book there will be tips and techniques I've used myself and seen other successful writers use themselves Keep in mind that what works for me might not work for you and vice versa I can give you all the tools you need but nothing will work unless you do It might feel frustrating at first because you'll want to try many different styles but this book and what I'm planning to teach you goes beyond that and it is probably going to be more valuable than just learning how to write a book I will teach you how to get to know yourself Some of the lessons included in this book are Where to start How to write a book Where to write it What to do before publishing How to publish your book How to publish books as a business And much more
