**Chadwick's Cultivated Circumstances Experience is sometimes priceless** Charles A. Chadwick Jr.,2022-02-01 Chadwick's Cultivated Circumstances is a small publication that carries a big punch It explains how experience can sometimes be priceless In the year of 2021 we all had to live through the pandemic from Covid 19 Did anyone wonder how much experience was gained on an individual level and as a society What was learned and how did people survive or surviving their created or uncreated circumstances Did people use their own new or past experiences to get them through this interesting time period Worldwide pandemic or not many have to work for a living Along the way of working some people may question or examine their worth Worth can be defined as the value equivalent to that of someone or something under consideration the level at which someone or something deserves to be valued or rated How did people feel being deemed as an Essential or Non essential worker After being classified some people were indeed laid off and found themselves without employment After hearing and seeing some people lose their jobs author Charles Chadwick thought hard about his own working experiences and career pathway As he reflected off his previous and current employment he thought about how he has survived off his skills With a push for minimum wage to be pushed up to 15 00 per hour when some people are without work is a deep question but who has the answers If and when it does happen who knows what the outcome could be In the meantime Charles wants to encourage everybody to get some type of experience instead of speculating if or when the minimum wage will ever be pushed up There are millions of Americans who carry massive student loan debt and racking up more bills If a student or person can transition into the trade industry they can learn a lifetime worth of earning skills In this short book Charles will show how anyone who has gained experience can cultivate success through their circumstances He will explain how some of his success was found through and because of the experience he gained throughout his life If a person has experience they can survive and thrive even in challenging hard economic times His methodology is clear concise and easy to follow His anecdotes and words of wisdom keep readers engaged throughout the journey as he explains how the ins and outs of getting and obtaining experience Chadwick's Cultivated Circumstances is a must read guide for anyone who wants to bring more value to the job market
